

Raymond Ready Used Lift Truck Warranty Policy

Your Raymond Ready used lift truck is warranted against defects in material and workmanship on major and minor components, including wearable components for a period of 30 days from *initial delivery to the customer*.

Components found to be defective by an authorized Raymond Dealer during the warranty period will be replaced or repaired without charge. Replacement components installed during the warranty period are warranted for the balance of the Warranty period. Additionally, all freight charges involved in the replacement or repair of a defective component will be paid by The Raymond Corporation, provided that the replacement or repair is made by an authorized Raymond Dealer. Local taxes, if any, are excluded.

This warranty is void in the event of defects or damage caused by lack of scheduled maintenance (as described in the maintenance manual), misuse, abuse or accident.

The Raymond Corporation reserves the right to make changes and improvements in design without making changes to previously manufactured vehicles.

Notwithstanding any other language contained herein, this warranty is expressly voided without any further notice if any modification is made to the *Raymond* equipment, or if additional components or devices are added to the *Raymond* equipment, without prior approval having been granted in writing by The Raymond Corporation.

THIS RAYMOND READY USED LIFT TRUCK WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED, IMPLIED OR STATUTORY. THERE ARE NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. In no event shall The Raymond Corporation be liable for incidental, special or consequential damages.
